EnergyWire -- Wed., May 30, 2012 -- [Read the full edition](#)

1. **ENFORCEMENT: EPA's Dimock results cloud Pa.'s pollution case**

Dimock, Pa., has gone from being seen as the town destroyed by drilling to being known as the place where Cabot Oil and Gas Corp. got "crucified." After a high-profile round of testing by U.S. EPA, the drilling industry is touting the headlines that call Dimock's water "safe." Those headlines, though, ignore the reality that Cabot did pollute the water in Dimock, at least according to the Pennsylvania Department of Environmental Protection. Cabot says it didn't.
